BABY TUCKER'S WONDERFUL CURE

Covered from Head to Foot with Humours—Forty Boils on Head at One Time—Doctors and Drug Bills \$100—Baby Grew Worse.

CURED BY CUTICURA FOR FIVE DOLLARS

Mrs. George H. Tucker, Jr., 335 Greenfield Avenue, Milwaukee, Wis., is a grateful mother. "When six months old," she says, "my little girl weighed a pound and a half less than at birth. When one month old a scab formed on her face, spreading until it completely covered her from head to foot, followed by boils, having forty on her head at one time, and more on her body. Then her skin started to dry up, and it became so bad she could not shut her eyes to sleep. One month's treatment with Cuticura Soap and Ointment made a complete cure, and now my child is as large, strong, and healthy as any child of her age. The doctor's and drug bills were over one hundred dollars, and my baby grew worse all the time. Then we spent less than five dollars for Cuticura and cured her."

CUTICURA A BLESSING To Skin-Tortured Babies and Tired Mothers.

The suffering which Cuticura Soap and Ointment have alleviated among the young, and the comfort they have afforded worn-out and worried parents, have led to their adoption in countless homes as priceless curatives for birth humours, milk crust, scalled head, eczemas, rashes, and every form of itching, scaly, pimply skin, and scalp humours, with loss of hair, of infancy and childhood. Guaranteed absolutely pure.

Cuticura Soap, Ointment, and Pills, are sold throughout the world. Cuticura Soap & Ointment, Boston, Sole Props. Send for "How to Cure Baby Humours."

The Jacksonville football team went to Savannah, Christmas, and got into a row over the game and it was forfeited to the "guber grabbet," 6 to 0. Savannah refused to whack the gate receipts and the Jays will sue.

The dress of Miss Annie Allen of Pensacola caught on fire while she was standing near the grate on Tuesday morning, and before the dress could be torn from her she was badly burned about the hands and arms. She will recover.

The St. Augustine Meteor says that the only way to stop the growth of the water hyacinth is to shut off the breeding grounds. Boom the creeks and branches of the main river or stream and make contracts with persons adjacent thereto to keep such creeks and branches free of the pest and the problem is solved.

Al-x Sparks, a negro hackman, narrowly escaped lynching at the hands of a party of infuriated white men at Tampa Tuesday afternoon. The negro struck James Gafford, a white driver of a furniture wagon, over the head with a heavy piece of iron rod, inflicting what may prove a fatal wound. The negro ran, but was overtaken by half a dozen white men, who dragged him into an alley, threatening to kill him. A crowd gathered and the men finally delivered the prisoner to the police.

A colored man with happiness in his heart and a jug in his hand came down the street about 7 o'clock last night. Just as his foot struck the sidewalk at Monroe & Chambliss' bank the jug escaped his hand, hit the pavement, shattered and at least three quarts of liquor that would have taken the hair off a dog's back wasted its fire harmlessly on the pavement. As the liquor spilt the joy in the darkey's heart evaporated and he passed on, the spring gone from his footsteps and the light from his eye, leaving the shattered fragments and the smell to tell the story of his blasted hopes.—Ocala Star, December 28.

LaGrippe and Pneumonia.

Pneumonia often follows lagrippe, but never follows the use of Foley's Honey and Tar. It cures lagrippe, coughs and prevents pneumonia and consumption. Ask for Foley's Honey and Tar and refuse any substitute offered. Mr. G. Vacher, 157 Osgood street, Chicago, writes: "My wife had a severe case of lagrippe three years ago and it left her with a terrible cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50-cent bottle cured her cough entirely." Refuse substitutes. J. W. McCollum & Company.
